Doxology (Psalter 197)

Benediction

1. What does the phrase “all the city was moved about them” suggest about Naomi and Ruth?
2. Why is the name of the city of Bethlehem significant as Naomi and Ruth return?
3. List the four charges Naomi has against God.
4. What contrasts are seen in Naomi's words and why are they important to understand for our own lives?
5. How do these charges reveal God's “severe mercy”? How is that sometimes necessary for a true return to God?
6. What is significant about the last phrase of verse 22, “In the beginning of barley harvest?”

Discussion Question: How can these verses be applied to preparing for communion next Lord's Day?
