Doxology (Psalter 197)

Benediction

1. What does Paul mean when he says that without the law sin was dead (Rom. 7:8) and yet then says in the very next verse that “for I was alive without the law once”?
2. When Paul says that the commandment came, sin revived (7:9), what does he mean? What might this look like in our lives? How does the example of Achan in Joshua 7 help us?
3. In 7:11 Paul says that sin, through the commandment, deceived him. What might this look like in our lives?
4. How does Paul describe the law and what was its original purpose? Is this purpose still relevant? How does verse 13 help us?
5. How else do we need the law to function in our lives? Has it ever served this purpose in your life?
