

YOU DON'T NEED TO BE GOOD AT EVANGELISM TO COME.

# NEVER SHARED THE GOSPEL WITH A STRANGER?

YOU'RE NOT ALONE. *This week will help.*

You won't be sent out **alone**.  
You'll be **taught, guided, and supported** through every step.

Join us for a week of practical training and hands on experience on the Wildwood boardwalk – where church groups from across the country learn together how to speak to people about Christ.

You'll be surprised how open people are to talking about what really matters.

**AUGUST 1-8, 2026**

**Wildwood, New Jersey**

*One week that can change your whole outlook on sharing your faith.*
